Shoreline salmon on Lake Michigan and hints of the fall feeding frenzy lead this lakes section of the Midwest Fishing Report.

GENEVA LAKE, WISCONSIN

Mark O'Neill posted the photo at the top and this about a Sunday outing:

Banner day on Lake Geneva, 39 fish in the boat; 36 SMB, 2 LMB and 1 pike. My largest, a 21.25 SMB that weighted in at 5 lbs 4 oz. Eight fish over 19 inches, just a great day! — with Dan Guy.
